EDITORIAL PROFILE:

Risk Management provides information on regulation and laws, but also broadens risk managers' horizons with a range of discursive articles.

Risk management seeks to professionalize and follow the evolution of the sector through testimonies, shared experiences, conferences and specialized training.

With 9 publications a year, **Risk Management** aspires to become a source of information, analysis and a key reference point for all professionals involved in risk assessment.

Risk Management is the only French publication that is 100% dedicated to risk assessment and the key figures in this sector. The title also boasts a website and a weekly e-newsletter.
